

## **Physical Acknowledgement Form**

Pennsylvania state regulations **require a physical and 1 step TB from the past year** to work in childcare. If yours are not current, we ask that you first attempt to complete this with your PCP using your insurance. However, if you are not able to schedule this with your PCP in a timely manner and it will affect your start date, Early Years can assist and cover the cost **upfront.**

We have partnered with:

### **Pulse Urgent Care**

126 Enclave Dr,  
Seven Fields, PA 16046  
(724) 939-6712

### **The costs are as follows:**

\$75- physical  
\$45- TB- 1 step  
\$110- Both- physical and TB

**Early Years will then deduct this amount from your first paycheck to reimburse our company from providing this service upfront.**
